Description of the general nature of what was agreed to if an agreement was reached, or any other comments:

Applicant proposed amendment defined over the art indicated that Shiota does not teach two icons located on the margin area of the album leaf. The icons related to the pictures printed on the leaf with two different sources. As applicant shows on Fig. 2, the first icon presents for the pictures 22 and 24, and the second icon presents for the pictures 22, 23 and 25. Applicant argues that Shiota only teaches an index web which is going to be cut and delivered to the customer as indicated at column 6, lines 36-39. Shiota's reference does not teach the multiple picture can be printed on the same leaf and attached to a ring binder.
